

HEAD STUDENT'S REPORT

Hello everybody, I hope you're well and have been wrapping up warm in your rain jackets and gumboots as it has been very cold and wet lately.

Here at RAS, students have been working hard in their respective subjects. Year 11s have been working very hard on their numeracy and literacy exams. They have also been learning about movement strategies in volleyball and basketball in PE.

Year 9 students have been doing crash courses in English and learning about algebra in Maths. They have also been participating in indoor sports such as table tennis in PE, which they have been enjoying. Additionally, they have been studying sustainability in Social Studies and learning about IVF in Science, which they find quite fascinating.

Year 7 & 8 students have won their ripper game in Alex for Dunstan Zone and are now going to the CO's. Congratulations to you all, and good luck! The Year 7 & 8s have also been learning about the periodic table, from which they have gained significant knowledge.

Thank you, John Broad, for bringing in your model boats to show us. We really enjoyed seeing all the hard work you put into making them. I know that everyone was very impressed and thought they were very cool.

Year 5 & 6 students have been learning about the solar system, finding it quite interesting and educational. They have been playing netball in PE and practising handwriting in class. They have also been making self-portraits, which look very cool. They are still earning their Class Dojo points to get free time on Fridays. They also received some new class games to play at lunchtime for rainy days.

Room 2 has been learning about shapes and symmetry, gaining valuable knowledge. They have also been studying native birds and learning Māori words.

Room 1 has started up PMP to help with balance and coordination, finding it quite fun. They have also created Pink Shirt Day art, making pink shirts with kind messages on them. In Maths, they have been focusing on addition.

Year 12 & 13 students have been studying for upcoming assessments in their respective classes. We recently returned from the Area Schools Tournament in Waiau, which we all thoroughly enjoyed. Then this week we had a career trip to where we visited Otago Polytech and the University in Dunedin to explore different subjects and career options. Some Year 12 students stayed overnight in Dunedin and had a work experience day at various jobs around the city, providing them with valuable insights into potential career paths.

Other than that, I hope you have a good week!

Sienna.

Reminder: Friday 31st May (Tomorrow) is a teacher only day- School Closed.
Monday 3rd June - Kings Birthday Weekend – School Closed.

SPORT'S REPORT

Year 3 & 4 Gold Netball Team Teviot Tearooms Player of the Day –
Meadow Gazeley

Teviot Sparks (Y 5 & 6)	10.00 v St Gerard's Sting	Ct 6: Property Brokers
Teviot Gold (Y 3 & 4)	11.05 v St Gerard's Magic	Ct 3

Umpires

10.00 Marissa May-Crawford

11.05 Kahtaralise Keil

Miniball

Congratulations to both the primary miniball teams on winning their games last Friday. It sounds like the year 5&6 game was a bit of a nail biter with the Roxburgh team sinking a basket on the buzzer to win the game - awesome shot Kieran! Just a reminder that there are no games this Friday due to the King's Birthday long weekend.

Rippa Rugby

Best wishes to the year 7&8 rippa rugby team who are competing in the Central Otago rippa rugby tournament next Thursday 6th June in Queenstown. The team qualified for this tournament by winning the year 7&8 grade at the Dunstan Zone

competition. Many thanks to all the parents who are helping out with coaching and transport.

Basketball

There was no basketball for the seniors this week as they were away on Careers trip in Dunedin. There is also no basketball on Monday 3rd June as it is King's birthday. The next game will be on Monday 10th June at DHS playing WHS Cyclone.

Blake and Max played for the Teviot Valley Men's Basketball team last Friday night against a good Mike Pero team losing marginally to them. Good luck for this coming Friday.

Senior Netball and Rugby

RAS A Netball team played against Cromwell College Green. After a slow start to the first half of the game, the girls managed to find some strength in their half time lollies and came back stronger to finish off with a good win. RAS B Netball team played against DHS 9 Gold and came away with a win. Player of the game went to lesha Ledua for the great work she is doing in the shooting circle. Good luck to both teams this weekend.

Some good results coming from the DHS girls 1st XV. Sounds like a good battle for lesha and Sophie who both got plenty of game time this week. Good luck to all players this weekend.

QUIZ NIGHT

Save the date for the

ROXBURGH AREA SCHOOL

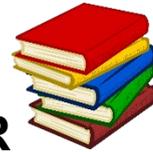

QUIZ NIGHT 21ST JUNE 2024

We are fundraising for 15 students selected for the
NZAS Tournament in July at Te Awamutu.

More details to come, we appreciated your support.

LIBRARY CORNER

Our library has become a hive of activity this term! With the colder weather arriving, many students are finding the library a warm, cosy place to relax, read a book or play games. I am especially impressed with the number of junior school students using their lunchtime to complete their library ‘**Bookopoly**’ challenges.

Mr Broad and His Amazing Models

This week, we were very lucky to have John Broad visit to show the junior school a small selection of his model plane, car and boat collection. Mr Broad, an ex-Roxburgh student himself, talked about each of his models, demonstrating the movable parts and lights. He also told the students that his model making started when he was a young student drawing, designing and building speed boats.

The students were amazed to learn that he designs and builds his 3D models from scratch – using only photos as reference. We had some very enthusiastic students from Room 2 come back during morning tea and lunchtime to look at the models and chat to Mr Broad. Here is what they had to say...

“I liked how the models had lights that turned on”
- **Deevik Prasad**

“I really liked how the top could come off the ferry and you could see the train tracks” - **Ollie Davidson**

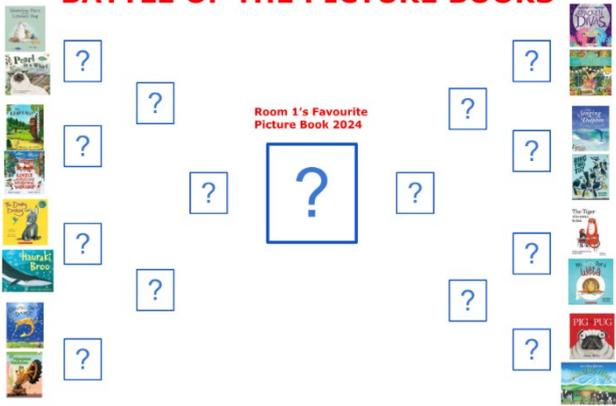

“I want to work on a fishing trawler just like the big model that Mr Broad made” - **Gabe McPherson**

“I really liked all the models. My favourite was the small fishing trawler because of the colours. It had a sliding door and a chilly bin for the fish!” - **Jeremy Cochrane**

Judging by the number of model making books that have since been issued, we may have several budding model makers in our valley!

BATTLE OF THE PICTURE BOOKS

Battle of the Picture Books

Once again, Room 1 is searching for their favourite picture book for 2024!

We have 16 picture books ready to battle it out for the top spot! We already have 3 books advancing to the next round. **Pearl in a Whirl** by Catherine Robertson beat **Madeline Finn and the Library Dog** by Lisa Papp. **The Tiger Who Came to Tea** by Judith Kerr won against **No Home for a Weta** by Stephanie Thatcher, and **Santa's Marvellous Mechanical Workshop** by Vashti Hardy defeated **The Gruffalo** by Julia Donaldson. Next week **The Dinky Donkey** by Craig Smith takes on **Hauraki Broo** by Nikki Slade Robinson...

I wonder who the ultimate winner will be?

Consent information YEAR SEVEN VISION SCREENING

The Vision Hearing Technicians from Health New Zealand Te Whatu Ora - Southern will be visiting your school to screen all year seven students for distance vision shortly.

Screening Provided:

- **Distance Vision (Amblyopia & Hyperopia)**

This determines how well your child can see at a distance. It involves reading an eye chart.

The screening results will be given to your child, and a Vision technician will be in contact to discuss any further action, if required.

If your child WEARS Glasses or is UNDER CARE for their eyes, there is no need to fill in an Opt Out form.

We will ask each class if there is anyone already wearing glasses or under care.

- Please let your child know to tell us prior to screening.

They will be given a notification slip to take home. **These children are NOT screened.**

By sharing this consent information, we are providing the opportunity for you to Opt out of our screening programme.

If you do not wish your child to be screened, please fill out an opt-out slip, which are available at the school office before our visit. It will be collected from the office and recorded on the ENROL data system.

What happens to your child's screening information? The vision results are recorded on the Ministry of Education data system – ENROL.

This information will also be saved on our Health New Zealand Te Whatu Ora – Southern health management system. You can access your child's information by contacting the Vision Hearing Screening team on visionhearing@southerndhb.govt.nz or contacting Patient Enquiries:

- Phone: Consumer Experience Feedback Team, phone (03) 214 5738
- E-mail: feedback@southerndhb.govt.nz
- Website: www.southerndhb.govt.nz

All staff with access to this documentation adhere to the Health Information Privacy Code.

CHALLENGERS

Starring Zendaya as Tashi Duncan, a former tennis prodigy turned coach and a force of nature who makes no apologies for her game on and off the court. Married to a champion on a losing streak (Mike Faist – West Side Story), Tashi's strategy for her husband's redemption takes a surprising turn when he must face off against the washed-up Patrick (Josh O'Connor – The Crown) – his former best friend and Tashi's former boyfriend.

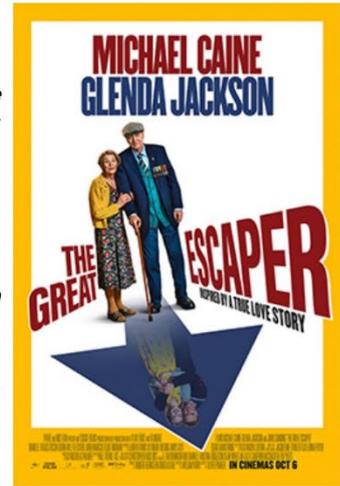

As their pasts and presents collide, and tensions run high, Tashi must ask herself, what will it cost to win.

CHALLENGERS

THE GREAT ESCAPER

Based on a True Story – Excellent Reviews!
In the summer of 2014 (the 70th Anniversary of the D-Day Landings), octogenarian Bernie Jordan made global headlines. He'd staged a "great escape" from his care home to join fellow war veterans on a beach in Normandy. Bernie's adventure, spanning a mere 48 hours, also marked the culmination of his 60-year marriage to Irene.
